

Hythe Bay Children's Centre Nursery

Term 4 Newsletter 2022/2023

What we have been doing

In term 4, children have observed and taken part in science experiments, learnt about living things' life cycles, habitats and homes, and explored the four seasons, with a focus on Spring weather, plants and animals.

What we will do next

We will be hosting our first 'walk-in-Wednesday' for parents on 29th March. Children's assessments have started, and parents are welcome to arrange parents' meetings with key persons, rooms leaders, Shane (SENCO) or Vicki (manager and teacher). These could be in person or via phone-call. In term 5 (17/04/23-26/05/23) we will be learning about different careers, hobbies, religions, languages and cultures for our people in our community curriculum topic. We have contacted professionals from Kent police, ambulance and fire rescue services to hopefully organise for them to visit our nursery. Please speak with Vicki or Radka if you, or someone you know, would like to volunteer to talk with the children about a career, hobby, religion or culture.
