

HYTHE BAY CHILDREN'S CENTRE - NURSERY

New Fees from 1st September 2018

Dear Parents

Please find below the new fees from September 2018 which have recently been approved by the governing committee.

Once again on-costs for the Centre have risen steeply with the continued rise of the National Living Wage. The new fees have had to take this into account. We have kept the increase as low as possible but need to ensure that we continue to provide a high quality provision for our children and remain sustainable. We have researched many similar settings and are confident that we are competitive within the market. Please do not hesitate to contact us if you have any queries.

Hythe Bay Children's Centre is a Charity whose ethos is to ensure that any monies received ensure the viability of the Nursery and the costs involved in running it. It is a 'not for profit' organisation. We remain committed to offering accessible childcare at an affordable price.
