

Hythe Bay Children's Centre Nursery

Newsletter May / June 2017

HYTHE BAY
Church of England
Primary School and
Children's Centre

What We Have Been Doing

As you can see from your children's learning journals, we have had a lot of fun at nursery. We've had some good weather for going for walks and the children have enjoyed visits to parks and the canal. Toddlers have loved going to the beach to see the diggers. Children in Little nursery went to get flowers to plant too.

Toys from Home

Please can children not bring their own toys to nursery.

Name Labels

Please can you put your child's name in items such as hats and jackets.

Sunny Weather

Please bring in sun hats and sun cream with your child's name labelled. If possible, please apply your child's sun cream before nursery.

Toy Donations

We would be grateful for the following toy donations: cars, animals. Dinosaurs, people, Lego, water toys. Thank you!

Staff News

Vicki started as our new manager at the beginning of May. She is enjoying working at Hythe Bay and getting to know all the children, staff and parents here. She would like to thank you all for your warm welcome, and remind you that you are always welcome to talk to her, as we have an open-door policy.

Nadine left the nursery in May to become a foster parent.

We are pleased to welcome Charley to our team from 12th June. She will be a Key Person in Preschool.

Staff Training

Some staff attended the Baby Room Conference at Christ Church University in April. We updated our Safeguarding training in May. Vicki completed her Safer Recruitment training and has SENCO training on 14th June. Vicki and Anne have attended training about new government funding processes including Special Education Needs Inclusion Funding and the 30 Free Hours Funding. We are in the process of working out how this will affect us from September, and will be informing parents about it in the near future.
