

# Hythe Bay Children's Centre Nursery

## Newsletter July / August 2017

**HYTHE BAY**  
Church of England  
Primary School and  
Children's Centre

### What We Have Been Doing

Our pre-schoolers had a graduation, photographs, and a trip to the beach on the little railway. We've been on trips, had picnics, seen a fire engine and enjoyed some music time. We have been learning Makaton signs too!

### Child Views and Parent Feedback Questionnaires

We ask that parents please fill out our questionnaires with their children to tell us what they like about our nursery and how we might be able to improve. Your views are very important to us! There are some questionnaires on the parents' notice board or you can ask a staff member for one. Once completed, please return these to a member of staff. Thank you!

### Infections, illnesses and Medicine

We'd like to remind parents that children are not to attend nursery if they are unwell. They must stay off nursery until 24 hours after starting antibiotics or a high temperature and 48 hours after vomiting or diarrhoea. Please see the policies in the hallway for further information.

### Staff News

Charley has started working here as a Key Person in Preschool. 'Nanny' Ingrid, our cook, will sadly be leaving us at the end of July. She will be greatly missed by staff and children. Congratulations to Sharon and Michelle who have been accepted onto a Foundation Degree course at University. They will continue to work four days a week from September. Beth has started a level 3 apprenticeship with us. Congratulations to Lauren has completed her NVQ level 3

### Staff Training

Vicki has had SENCO training. Mel will be refreshing her paediatric first aid in July. Staff will have a training day on 20th July. Vicki has Safeguarding lead training too.

### 30 hours free childcare

We will be offering this from September 2017. Please see the parents' board for more updated information.
